Lesson6-3　USE-Read

- Hello, everyone.
- What do you want to be in the future?
-
- I want to be an engineer and make robots.
-
- I have two main reasons.
-
- First, I like robots. They are cool.
-
- When I was a child, I liked to watch movies about robots.
-
- I used to play with toy robots. Now I have a real robot.
-
- It walks and plays soccer.
-
- Second, robots can do many things.
-
- There are robots to rescue people and robots to make things.
-
- Now robots care for people too.
-
- When I visited a nursing home, I saw a woman in poor health.
-
- She held a seal robot.
-
- She was smiling and talking to it. She looked very happy.
-
- In conclusion, robots are not only cool but also useful.
-
- In the future, robots will play a big part in our lives.
-
- I want to make robots to help people in need.
-
- I have many things to learn.
-
- I will study hard to be a good engineer.
-
- Thank you for listening.
